

This is a list of your hard earned money wasted by the City of Desert Hot Springs. Since the new lawyers were hired the litigation costs have skyrocketed with "hourly paid" law firm 2019. This gives you a list of the property they are trying to take, administrative citations, and all the nasty reasons you should never consider moving to Desert Hot Springs, CA. Look for a nice place in Palm Springs or Indio where they do not cite you for a low front tire on your own driveway.
